

**International Workshop on Biology, Molecular Biology
Genetics and Bioinformatics
May 28-29, 2016 Istanbul-Turkey**

IWBG-2016 is one of the area focused international workshops for presenting novel ideas and advances in the area of Biology, Molecular Biology, Genetics and Bioinformatics organized by scientific cooperations. IWBG-2016 aims to increase the collaboration among researchers and practitioners with a common interest in Biology, Molecular Biology, Genetics and Bioinformatics through scientific publications.

The workshop will be held as part of the International Conference on Basic Sciences. All the conference papers will be published in conference proceedings and selected papers will be published on [Journal of Biology, Molecular Biology, Genetics and Bioinformatics](#) after a second peer reviewing operation.

The conference proceedings will be sent to be reviewed for their inclusion in the ISI Citation Index database.
